Windsor Castle
March 11th 67.

My dear Mr. G.

I thank you
very much for having delivered
my message to the Queen
of the French and was very
glad to hear that she re-
ceived it so very kindly
I am very much interested
in her, having always
much respected her charac-
ter & I regret that I
don't know her personally.

I was very sorry to find
that you were so ill with the

Captivity & I trust that
you are quite recovered
now & will have no return
of that malady, which is
so troublesome.

I have been very well
since I came to this place
again, the air of which
always agrees well with
me & is much better,
than that of Brighton.
The dear King is quite
well too, thank God,
& in good spirits.

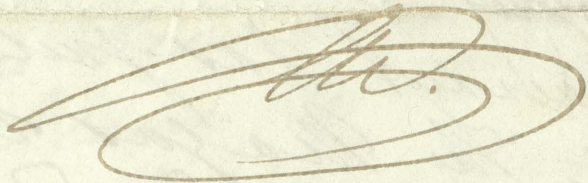

The Ld. of Newcastle
is quite recovered, I

am happy today. -
William was with us for a
week with grand I think
it has been of use to both
Daddy & Mummy are now
staying with us & D. J. for
Inverness has just left
us. The Magas remain
till the 10th when D. J.
Karrington will come
into writing for the first
time.

The King sends you his
aff. Compliments & I
try to give my best
compl. to D. J. & all
your children with my
best wishes for your Dear
self

God bless you all.

Ever, my dear lady
By your most aff.
Friend
