# DUKE OF YORK.

Why (except for HIRE) is the Duke of York huzzaed?

Is it on account of his military exploits at the HELDER?

Is it because he gave commissions in the Army, and got a Parson to preach before the King, at the recommendation of MRS. CLARKE?

Is it because he took TEN THOUSAND POUNDS a year of the public money for taking the trouble to visit his aged father, who had been so uncommonly tender towards him?

Is it because he now receives full *Thirty Thousand Pounds a Year* out of the public money, and has received immense sums out of the *Droits of Admiralty*?

Or

Is it because he has, in every stage, VOTED FOR carrying on a prosecution against the Queen by a Bill of Pains and Penalties?

Let the *Huzzaers* answer these questions; or let them hold their tongues!
