

Receipt

To get rid of Bugs either in Rooms or Furniture,
and also to preserve them against those Insects

If a Room or a whole House is infected with them, take 4. Ounces
of Copperast. Or Galls, 2. Ounces of Wormwood, and 1. Quort of good
Vinegar; these must be put into a pot, and boiled for half an hour,
then mixed with good Lime, ~~and~~ ~~then~~ ~~only~~ the walls but the floor
and let some of this liquor enter into all the cracks

If these Insects have appeared in a Room, the same ingredients
are to be used except an Ounce of Quick Silver, half an Ounce
of Swines fat 2. Quort of Soap Lye, half an Ounce of Gum
half an Ounce of Hempseed Oil, wash the beds and floor of the
Room with this and the Wood of all the furniture.
