Richmond Lodge July 14th 1767

Brother, A report is very prevalent that You
have some intentions to be present at the Review
of Compiègne, I cannot give great credit to
this as you know how I insisted on your not
making any stay in ~~France~~ France when you returned from Italy;
I am if possible more averse now to any of my
Family going there from what I learnt from
the Hereditary Prince; I have on all occasions
proved myself

Your most Affectionate
Brother

 Your obedient servant,
