London March 20th 1775.

Sir

Mr Stonehewer finally persists in declining the offer made him tho' highly sensible of the very great honour done him & full of the strongest expressions of Duty & gratitude to your Majesty.

I have had an unaffected opportunity of seeing Doctor Hurd and am to have an interview with the Bishop of Chester tomorrow and wish to lay an account

of

of my farther proceedings before Your
Majesty whenever my attendance may
be permitted.

I have the Honor to be with the
most profound respect

Sir

Your Majesty's
most loyal subject
most dutifully devoted
servant
