

E. of Holderness
London April 20th 1771.

15924

London April 20th 1771.

Sir

The enclosed letter from the Greffier
to Lady Holderness is the only return
I have to those I wrote in relation to
Mons^r Salgar, whose absence will cause
some delay in Your Majesty's views.

I have the honour to be with the
most profound respect

Sir

Your Majesty's
most loyal subject
most dutifully devoted
servant

Holderness.
