Sir

a request of Mr Smelt's for leave to go into Yorkshire slip't my memory when I had last the honour of attending Your Majesty; he proposes being absent more than a fortnight less than three weeks.

I have received some marks of sensibility and affection from the Prince of Wales to day which I hope were sincere.

I have the Honour to be with the utmost respect

Sir

Your Majesty's  
most faithfull dutifull  
& devoted Subject & Servant
