Sir

Combining all the complicated circumstances  
that attend Their Royal Highnesses Education  
I have the misfortune to find it utterly  
impossible for me to continue in their  
Service with any probability of success, it  
becomes therefore my Duty most Humbly to  
beg Your Majesty's permission to resign  
while the present establishment is still  
entire, and not to throw your affairs into  
greater Difficulties by attempting a reform  
which I am unable to compleat, I hope  
therefore Your Majesty will not be offended

of

if I press what is so essential to my  
future quiet and to your Royal Service,

Permit me Sir to renew the expression  
of my Dutifull attachment and to have  
the honour of subscribing myself with  
utmost submission and respect

Sir

Your Majesty's

most loyal subject

most faithfull and

Dutifull Servant
