

Draft to Sir Chas. Thompson B. 134
Lancaster House June 2. 1776.

16077

Sir Charles Thompson, I am in possession of the
very handsome letter you have written to Lord Brouncker
You know my heart is much inclined to the name of
Statham, I desire you will be with me by eight
tomorrow morning, the going to a Review is the
cause of my appointing so unfashionable an hour.
