

Draft to Sir Chas. Thompson, Bt.  
Lancaster House June 3. 1776.

16083

Sir Charles Thompson, I cannot help feeling <sup>an</sup> anxiety to  
know how poor Lord Broun continues and whether he is  
gone into the Country, a line from you would greatly  
relieve my mind, and when you know that, I am certain  
I shall not be long before I receive one.
