

Draft to Lord North
Queens House June 3rd 1776

16086

Lord North, I have the satisfaction to inform you that I
have already found a person in every respect proper to fill the
important trust of Sub Governor, the person is Lieut. Col.
Notham a Brother of Sir Charles Thompson, and I believe as
worthy a man. The Bishop has recommended Mr. Arnold
the principal Tutor at St. John's College, whose mildness
morals, and cheerfulness are said to be as conspicuous
as his Talents.
