

Mr Pitt.

January 11. 1796

16656

Mr Pitt is extremely concerned to find
by Letters just received from Lord Cathcart who
is stationed with his Regiment at Dover, that
the Report which had been conveyed to your
Majesty respecting Prince Edward proves to
be well founded, and that his Royal Highness
landed Yesterday Morning. Mr Pitt trusts
your Majesty will approve of his taking the
Liberty to enclose a Private Letter from Lord

Cutheart, tho' not written with a View to
your Majesty's Inspection, as thinking it his
Duty to lay before your Majesty all the
Information of which he is in Possession.
