Message sent to the
Princip of Wales thro
Lord Cholmondeley
Quam 29 1797

Windsor Dec^r. 2^d. 1797.

The Prince of Wales on Thursday mentioned to Me that
the Princes of Wales received into Her Society persons He
did not approve of; I certainly authorized Him to let
the Earl of Cholmondeley acquaint the Prince, that it
was my opinion He could not receive any Society
but such as the Prince approved of; and least they
should not have been clearly explained I now have
put those words on paper.
