

Druff
to the Lord Chancellor
Windsor Castle Nov. 11. 1804

16761

Windsor Castle Nov. 11. 1804

16760

The King this Morning received His Lord Chancellor's letter, and has great satisfaction in learning from it, that the Earl of Maribor has given the strongest Assurance that the Prince of Wales has the most dutiful and affectionate Sentiments towards His King and Father.

The Lord Chancellor is to acquaint the Prince of Wales, that His Majesty and the Queen and rest of the Family at Windsor will be ready at New to receive him tomorrow at half hour past twelve.
