

H. H. to Lord North

Mar. 30 1774

1786

Steel done I 179

Lord North, the Knighting Mr. Impey on his going to
India as he is desirous of that honour cannot meet with
the least objection from Me; I trust the Chief difficulties
relating to India are now in fair train to be removed
but am anxious to learn that Mr. Pumbold is nominated
Governor of Madras, that the difficulty concerning
Lord Pigott may not arise.
