Adm<sup>y</sup>. July 25<sup>th</sup>  
4. P.M.

Mr Yorke having this  
moment understood  
from Lord Wellesley  
that Your Royal  
Highness had expressed  
a wish to see Sir  
Jas Saumarez's private  
letter, respecting the  
supposed arrival of  
Prince Lubomirski  
in England, (which was  
received this morning),  
hastens to submit  
it

for Your Royal Highness's  
Perusal, & humbly  
requests your Royal  
Highness's forgiveness  
for his omission -

Mr Yorke having  
communicated the  
letter as soon as it  
was received, he had  
willingly, presumed  
that your Royal  
Highness would not  
fail to be informed  
of the fact through  
the channel of His  
Lordship.
