Granby Row July 2^d 1811

My Dear Donoughmore

Your Letter of the 27th ult^o has
this moment reached me & I have
no time in replying to it -

It was not until long after I had
promised to vote for Gosford
that I had the slightest intima-
tion of His Royal Highness the Prince
Regent's wishes in favour of Leinster
You will see therefore that it was
too late & I have only now to
lament that I cannot upon this
occasion shew my Alacrity to
Earl of Donoughmore)

meet his Royal Highness's wishes
which I shall ever consider it my
Duty to do when in my Power
as I know it to be my inclination

Believe me my dear Dowager
Ever most sincerely
Yours

Westmeath
