

Ld. Naivra to Col. McKeabow

18301-2

Wilmington, N. C. 30th
1811.

My Dear Friend

I enclose to you a
letter from Dr. Cassin, which I
- ter to be laid before the Prince. I
returned a suitable answer to it.

I further transmit a Paper which
they sent to me most impudently. I
cannot I have not noticed it. Yet I

thought it as well to let you see it:
and as he has by another letter solicited
to have it again Mr. Bicknell
my cause it to be delivered.

I remain here, thinking there is little
chance of my being able to make, even
alone, an excursion to Ludlow Castle.
Inquiries reach me (but do not let
them preclude yours) which say perhaps

to have frankly given those three con-
-sultations to the Prince. From then
I am satisfied the Physicians think
the sad scene is on the eve of closing.

Faithfully yours
Naira

Pray let the Packet for Belch be
sent.
