Marg. Wellesley.

18303

Aspley House 30<sup>th</sup> July  
1811 Tuesday Night

Lord Wellesley humbly submits to  
Your Royal Highness, that, after  
full consideration of the circumstances  
under which Prince Lubomirski arrived  
in this country, of his conduct since his  
arrival, & of his character, it would  
not be advisable to admit him to  
the honor of an audience from Your  
Royal Highness without further inquiry.

Lord Wellesley therefore does not  
propose to present Prince Lubomirski to  
Your Royal Highness to morrow, but will  
make

make further inquiry respecting this  
person, which will enable Your Royal  
Highness to determine upon the propriety  
of admitting Prince Lubomirski to  
Your Royal Highness' presence.
