

W. Adams to Col. McKim

18817-8

Weymouth Nov 7. 1811

My Dear Friend.

I will see you to morrow, if I can before you leave Carlton House. I am much engaged in getting the affairs of my poor friend Captain Stewart put in train so that I shall not be able to see you to day.

I have had Fenton with me this morning about that strange B.P. I have sent him with further instructions to

Bicknell

W. Adam to Col. McKelvey

Birknell & I will attend
the Prince Regent to-
morrow at an early
hour - to lay before His
Royal Highness / if it
is His pleasure then
to receive it / what
has been done & is
further to be done in
the matter.

I wish for a very
quiet opportunity to
talk over several matters
very interesting to me.
When

When we must do more:
I hope you may be able
to mention it then that
will suit - It does not
press for a day or a
week -

Yours very
Most Affly & Truly

W. Adam
