Dear Sir

The Committee appointed under the Act of Parliament for rebuilding the Theatre Royal Drury Lane, have directed a Common Seal to be prepared for the joint Stock Company.

Very little consideration appears necessary for them to determine upon the most appropriate Device, and the most gratifying to the general feelings of the subscribers: and I am commended by the Committee to request that you will have the goodness, next day to express to His Royal Highness the Prince Regent their anxious wish that He will be graciously pleased to permit the Best of His Royal Highness to form the subject of the Common Seal of the Company.

Sensible of the very important assistance they have derived from the excellent Patronage of His Royal Highness, they are desirous that all their Acts should bear record of the distinguished Honor conferred upon the Proprietors.
