My dear General

Many thanks for your note - but all  
my endeavours did not enable me  
to discover that any of the President  
was to have audience of H. Q. H.  
yesterday, therefore I did not venture  
to request one for myself. -

Today I receive also the Recorder's  
Report will so long occupy H. Q. H.  
that I dare not entertain any expectation  
of an audience. -

Will you then have the goodness  
to request an audience for me on

Some early day at any hour which  
H: & H: shall be pleased to  
appoint. -

I have the honor to be

Dear General,

Y<sup>r</sup> most faithful

C. Harrington

Pray I hear from you that H: & H:  
shall wish to see me today I shall  
not attend the Council at the  
Treasury. -
