Dear General

The reason for my ~~not~~ not attending at the Treasury today, is that I cannot sit at the Council during the Recession Dept not being one of the Cabinet, and conceiving it might prove a very long time, and leaving the President with very numerous <sup>therefore</sup> afterwards - and in addition leaving much to do at home - I did conceive <sup>that</sup> it would be better, unless H: & W: shall think otherwise, not to expect an audience today. -

Your suggestion however makes me <sup>the more</sup> anxious to leave H: & W: pleasure. -

Yours faithfully  
H. Gen. Turner

I have the honor to be  
Dear General  
Yours faithfully  
C. Harcourt Sutton
