

Archbishop of Cashel to Bishop of Ferns

Nov. 27 1844

18874

My dear Lord

I had the honor of receiving your  
Lordship's Letter, enclosing Mr Dudley's - which  
I now return - I can do nothing else than leave  
this Gentleman to make his appeal to the Endowment  
of Dr Duigenan - It is not the best of the Legacies  
which your Lordship's Predecessor has left you.

I am My dear Lord with sincere  
Esteem and Regard  
Your Lordship's most faithful  
and Obedient Servant

10 Gloucester Place
