My Dear Sir

The Prince Regent, when I had the honor of seeing H. R. H. yesterday, was pleased to command me to attend at Carlton House at one o'clock to-morrow (Wednesday).

This evening I have received a summons to a Council at two o'clock to-morrow. May I request you to learn from the Prince Regent, whether H. R. H. wishes me to attend at one, or after the (Col. MacMahon) Council

Council to morrow.

This Messenger will wait for
your answer.

Believe me, with great esteem,
Dear Sir Your Faithful Servant
