

Ld. Liverpool to H. Gen Turner

19152 - 3

Friday night

(Private)

My Dear Sir

I have sent a note to  
the Prince Regent on a Box  
concerning to which it is material  
that I should receive an  
answer soon on the  
as it relates to Lord Minto,  
and these are things which  
will be published in the  
course of some time by which  
we are obliged to answer  
the public dispatches  
concerning the capture of  
Java.

The Prince is already pre-  
pared for this communication  
and

Ld. Liverpool to H. A. Turner

and of His Royal Highness  
continues therefore to approve  
of the suggestion, it will be  
only necessary for him to  
trouble himself with  
papers etc.

The Box belongs to my  
Department, is marked  
Private, and dated this  
day

I am with great  
Respect  
Yours respectfully  
H. A. Turner  
Liverpool

I have written to Sir John  
Anchamty to enquire how  
that he will have the Red  
Kilbon but after what  
I said I did not feel it  
necessary to trouble the  
Prince again upon that  
point. I must however  
<sup>trust</sup> you will have the  
goodness to inform him  
that I have written to  
Sir J. Anchamty to that  
effect
