

Wm. Kent to M. Gen. Turner

19192

Feb 7. 1814.

Sir

I felt truly grateful for His Royal Highness the Prince  
Regent's having graciously commanded my petition to be referred  
to the Lords of the Treasury - I did not write, or call there,  
until this morning with a letter (copy annexed) when  
instead of seeing, or getting a satisfactory answer from  
either of the Secretaries - I was exposed to further insult  
from Mr. Harrison's, Deputy. for that redress, which H. R. H.  
the Prince Regent graciously intended, for upwards of seven  
Years injustice, cruelty, & oppression, already experienced  
at that Board - by Sir

Your very Obedt. & Aff. Servant,

W. Kent

Gen. Turner Carlton House -
