Woburn Abbey. Feb. 20. 1812.

Dear Sir

I have I submit given to lay before her  
Grace request my humble request to be ad-  
mitted to the honor of an audience? I should  
consider myself as infinitely obliged to you  
if you will refer to Court & inform her by a  
Letter directed to Woburn Abbey, <sup>on what day of</sup> ~~where~~ his  
Royal Highness will be personally pleased

I am here, as the state of my health will not admit  
my being unnecessarily detained in Town, and  
nothing but the urgent necessity of my seeing this  
Royal Highness could induce me to leave home  
at this season —

I am Sir your Obedt<sup>o</sup> Servant

W<sup>th</sup> my sincere regards

Your faithful Servant

Robert
