North House
27th July 1812.

My Dear Sir

As I find that my
being called up to the House
of Peers is likely to be the
Cause of much observation
I shall feel much obliged
by your informing me
whether I am correct in my
ideas, by understanding
it as the gracious Act of
The Prince Regent alone,
without owing any particular
Colonel Mr. Mahon

Obligation to any Minister
for I feel very anxious
wish not to belong to any Party
Believe me Dear Sir

Yours very truly
Percy
