J. Wynn Belasyse to the Prince Regent

Sir,

With the highest respect  
I venture to lay my humble request at  
Your Royal Highness's Feet.

By the death of Lord Rybridge

The

4081  
1  
The Constablership of The Castle of Carnarvon  
is become vacant. It is an Office that  
had long been held by different Branches  
of My Family, and was held by my  
late Father for upwards of Twenty Years.

I now beg leave humbly to state  
to Your Royal Highness, that upon the  
Vacation of The Regency being agitated

in

in The House of Commons many Years ago,  
I did strongly urge My Father to vote  
in favor of Your Royal Highness's Claims,  
I felt grateful for the notice Your  
Royal Highness had condescended to  
honor me with at that early period of  
My life, and I had no other way of  
proving my Gratitude but by My Father's  
voting

50481  
acting as he then did. Upon his so  
deceasing, Mr Pitt immediately took from  
him the Constablership of the Castle of  
Carnarvon as well as the Office of  
Receiver General in North Wales. Lord  
Hybryde was appointed to succeed  
my Father in the Constablership, which  
ceased my Family's Interest in the  
Borough

19406-7

Borough of Linnaroon, which they  
had long represented, to be materially  
injured, and my Father in consequence  
lost his Seat for that Borough after  
having represented it for Twenty five  
Years.

I most humbly entreat Your Royal  
Highness's gracious Consideration of  
them

These circumstances, and as I am  
now the only one of my Family of  
an Age to hold this Situation, my  
Cousins Lord Newbrough & his Brother  
being both young and under my Care,  
I do most earnestly hope that your  
Royal Highness will not deem me  
presumptuous in requesting that  
Yours

19407

Your Royal Highness would be graciously  
pleased to recommend that I should be  
appointed Constable of the Castle of Carnarvon.

With the highest sentiments of respect  
and attachment

I have the Honor to be

Sir,  
Your Royal Highness,  
Most Dutiful  
and  
Devoted M<sup>th</sup> Servant

Lower Governor Street  
March 16<sup>th</sup>  
1812.
