Sir

Mr Greville having informed me  
that having had the honor of seeing you on  
Friday last at Carlton House, & having explained  
my anxiety, that all proceedings relating  
to Richmond New Park should be regularly &  
properly reported to H. H. The Prince Regent,  
I beg to offer my best thanks to you for having  
kindly undertaken to acquaint His Royal Highness  
from me, that the Lords Commissioners of His  
Majesty's Treasury have desired the Board  
of Commissioners of H. M. Woods & Forests  
to direct an Enquiry to be made into the  
State of the Timber, & Timber Trees in

Colonel MacMahon

De Jure

Richmond New Park, & that they have in  
consequence directed Mr Kent of the Office  
of Woods to make this survey, which he  
began in this Park on the 6<sup>th</sup> Inst. which  
is likely to occupy him above a Month.

Mr Kent's attention is directed to the  
Number & Quality of all the Trees in  
Richmond New Park, in order to ascertain their  
present state, distinguishing those which are  
in progressive growth, those which have reached  
their maturity, & those which have passed it.

I have the Honor to be

Your most Obedient

The Rangers Lodge
