

R. Peel to Col. Jackson

Signature

1 Nov 21 1812

19455

Mr. Peel presents his compliments to
 Col. Genl. Jackson and begs leave to
 request that he will procure His Royal
 Highness the Prince Regent's signature to
 the enclosed warrant.

In view of the natural consequence that Mr.
 Peel should receive it with the least
 possible delay, in order that it may be
 sent by the post of this night to Portsmouth,
 as Mr. Peel would not have troubled
 Col. Genl. Jackson with so urgent an
 Saturday - application
 19. October
