My dear Sir

Pray let me entreat you to get  
the Public for the admiralty, Robert signed  
this morning - you have no conception of  
the inconvenience & embarrassment which the delay  
of it may occasion -

I am Sir, &c.

Yours

Yrs most truly

March 24. 1812

R. Dummer

I wish come over to see myself, if that  
can do any good
