Whitehall March 25  
1812

My dear Sir

As numerous applications are making every day at this Office of a similar nature with that contained in the letter I enclose, I will thank you to tell me, whether the Prince Regent has signified his Pleasure on what day the next time shall

be holden. The enclosed  
should have an early answer  
but I will delay it till I  
hear from you. I am

my dear Sir

Yours very faithfully

R. Brydger
