

26 March 1812  
Lord Camden

19488

Lord Camden presents his best  
compliments to Genl. M'Mahon - He  
entirely escaped him to inform  
His Royal Highness the Prince  
Regent, as he had been commissioned  
to do, that Mr Hyder who had  
come to Carlton House to attend his  
Royal Highness was obliged to go away  
on account of the severity of his ailments  
Heard also that Lord Liverpool  
was prevented by official Business from

attending the Council this day

Lord Camden will be much obliged  
to Mr Mahon if he will inform  
his Royal Highness the Prince Regent  
of these circumstances:
