Solway office Mar 29th 1812.

A. M. S. Gany mede is arrived
at Palmarth with the Spanish
ambassador Count Fernan
Ruiz on board.

It is now ascertained
that the Spanish Squadron has
not gotten into Cherbourg as
was reported by Capt Sykes of
A. M. S. Precious; the mistake was
probably occasioned by a convey
from Havre having gotten in
being mistaken in heavy weather
for line of battle ships.
