My Dear Turner

I wrote to you on an affair of  
the greatest importance. I do  
not also tell you to commu-  
nicate with. I am on the subject  
you may, if you please. I want then  
to know, when and where the election  
of President for the society of  
Abolitionists is to take place. I should  
like to be necessary for me to  
take my place. When, if so be, how  
does our friend stand. Is he likely  
to be successful. Tell me, how.

am to proceed. as I am very anxious  
on the subject.

Yours sincerely  
Rutchen
