

Ld. Nova to Col. McKeahan

19621-2 Aug 11th 1812.

My Dear Friend

Since you wish it, I will certainly see Mr Benjamin. Though there is this objection that the discussion may lead to the substantiation of a fact which I have endeavored to avoid admitting, namely, that the Prince was personally

giving to the Purchase of
the Mining Post & that
it was really his Paper.

As for Benjafield, I am
astonished he should wish
for the interview. When,
some time ago, he submit-
-ed it by letter, I declined

receiving him on the ex-
-posed ground that it
must be awkward for him

by letter to the Chair-
-man of the Quarter Officers
I had intentionally left
a loophole for Benjafield
but if the latter will
positively enter into the

subject with me I must
not lower myself so far
as to conceal from him
that I think him know-
ingly & wilfully per-
jured.

Faithfully yours

Thine

W^m W^m
