Highness The Prince Regent with my most  
respectful Duty, that May is one of the Months  
of Waiting for the Colonel of the 2<sup>d</sup> Regiment of  
Life Guards, and that I would be extremely  
gratified if His Royal Highness approved of my  
taking my Duty for the Remainder of the Month  
or for so much of it as His Royal Highness may be  
pleas'd to permit me to remain in Town.

I beg leave to add that I have consulted Lord  
Harrington and that I have submitted this

Proposal.

with his Lordships Concurrence

I have the honor to be
