

Ld. Cairncarr to Col. MacMahon

19626-7

Balls Hebet

Jermy n Shurt  
12 May  
1872.

Dear Colonel MacMahon

I have troubled you  
with a separate Note  
and I take the liberty of  
adding this to say that I  
conceived the substance of  
my Proposal thus far to be  
the mode most respectful and  
least troublesome to His Royal  
Highness.

My inclination would have  
prompted

Ld. Calthorpe to Col. Kebleton

19627

prompted me to have most  
humbly solicited an Audience  
and if you judge it worth  
to the more proper Course I  
will be very much obliged to  
you if you will do so for me,  
and if His Royal Highness  
should condescend to command  
me to go to Carlton House I  
will be very thankful to you  
for a private Hint whether

I should go direct as  
for Court or in what order?  
Pardon this liberty in the  
Post of an old Acquaintance  
and believe me with great  
Respect Very faithfully yours  
Robert
