24 High Wycombe  
Tuesday 20<sup>th</sup> May 1812

Dear Sir

Could you send me or procure  
me the loan of about 100<sup>l</sup>. I have had  
considerable Expence getting out my Tools  
to go to America & I have very foolishly  
& thanklesly got 8<sup>l</sup> in debt with young  
Hochdale for Publishing three Pamphlets  
in Favour of the Royal Family. I am  
an incorrigible Fool - I find they laugh at  
and despise their Friends & Prospects & reward  
their Enemies & yet I persist in wishing to support  
them but have requested me to with some money  
I cannot help it

I shall have the consolation I have  
merited (and I fear it approaches) to have  
done what I could to be put off

I will show you Hochdale's account  
& Whittinghams when I call - I hope if you  
can help me or procure me help for  
four or five months - I know you are well  
to the Cause I have tried to support  
I shall call tomorrow Wednesday

Yours Truly

Jas Bayly Esq

William Blaylock
