Private

Great George St  
May 24 - 1812

Dear Sir

I shall be obliged to you  
to return me the enclosed letter, <sup>address</sup> from  
Lord Grenville, and to take ~~the~~  
Prince Regent's Pleasure on what day  
H. K. U. will be graciously pleased to  
receive the Address to which his Lordship  
refers.

I conclude that H. K. U. will fix  
upon the next time for that purpose.

but I do not know that any day is yet  
announced for it to be held.

For this reason Lord Grenville gives  
it would be desirable that I should be  
able to answer his lordship in time to  
admit of his writing to Oxford by  
tomorrow's post.

If there is to be a Drawing Room  
on Thursday perhaps you would think it  
right to submit to U.K.L. whether as  
there was a leave so lately as Friday.  
it might not be better to fix the next  
for Friday to give the Deputation time  
I doubt whether they could well attend so  
early on Wednesday as they cannot receive  
notice till Tuesday morning at Oxford.

R. Ryder to Col. Ketchikan.

I desired Beckett to inform you of the  
steps I had taken to secure if possible the  
execution of the writ against Holloran

I am my dear Sir  
Yours faithfully  
Ryder
