A.A. No. 95

[May 30 1812]

Saturday 6 o'clock

Dear Mr. Kahan

It was very lucky
that I called just after
you went out, for I
wanted to tell you that
Mr. Martin having given
notice of a Motion for Wed-
nesday next, in case an
Administration should not
be

C. Arbuthnot to Col. H. C. Kahan.

A.A. No. 95

be formed on that day,
I have sent to ~~every~~ ^{every} part
of England to get a
full attendance — I
had been told that the
Prince, in the event of a
Protest, would wish me
to do so — But it
is very necessary I should
learn from you whether
any progress has been
made

made, as I ought not
to bring members up
unnecessarily — Do on
this account write me
word what has passed
today, & I am anxious
to hear from you before
I go out to dinner.

Y^r ever most truly
A. Arbuthnot
