Kellesley See No. 19781

19789 War office 2 June 1812

My dear Sir,

There are a very  
considerable number of  
Court martial warrants  
& Beating orders remaining  
to be signed by His Royal  
Highness The Prince Regent  
and I think it best to send  
you a certain quantity  
at once in order that  
you may submit them to

Col MacMahon

His Royal Highness for signature  
at such moments as may  
be most convenient to H.R.H.  
The quantity now sent is about  
one third of the whole remaining  
number

My dear Sir  
Yours very sincerely  
Palmerston
