

ld. Moira

Letter to L^{ds} Grey & Grenville
June 6th 1812.

19810

Saturday 6th June
11. Noon 1812

Lord Moira presents his best
Compliments to Lord Grey & Lord
Grenville.

Discouraged as he must
unavoidably be, he yet cannot
reconcile it to himself to leave
any effort untied; & he adopts
their principle for an interview,
tho he doubts if the desired
conclusion is likely to be so
well advanced by it as would
have been the case in the mode
suggested by him.

He has now the Prince Regent
instructions to take steps towards
the formation of a ministry;
and is authorized specially to
address himself to Lords Grey
& Grenville. It is, therefore,
his request to know when &
where he can wait upon them.

He would wish to bring Lord
Erskine with him.

The Earl of Moira
to
Lords Grey & Grenville

June 6th 1812.
