

La. Moura to Col. McHale

A.A. No. 112

19823 - 4

St. Mark's, New York

My Dear Friend

See No. 19828

You must let  
me have a line (secret) to  
say that Dr. Wellesley's con-  
-ing with me in the publica-  
-tion of the Papers will  
not displease the Prince.  
It is not an authority he

wants, but with a proper delicacy  
he wishes to be satisfied that  
the Prince would not take  
it amiss. The note should be  
addressed to me, as if in an-  
-swer to a question of mine,  
& after having shown it to  
him I will destroy it.

He told me he had not been  
summoned for the Chapter on  
Friday, & he seemed uneasy  
at the possibility of being  
left out.

Very truly yours  
Marian
