My Dear Friend -

Allow me to ask whether you had the
goodness to take any measure on Mr. Thos Tyrwhitt's
letter of which you kindly permitted me to put you
in possession - The grant of such waste land as that
alluded to, would have afforded me a little amusement
& occupation, I fear beyond that, I have no prospects,
however, ruined & ill used as I am, I hope in the
course of this summer to bring my public affairs
to a final issue -

Always most sincerely

Yrs

Geo. Villiers
