Dear Sir

I have received just now
the box from Carlton House with
my own Note to His Royal
Highness returned by mistake probably
for some other paper. —

I have letters today from
Sir Home Popham dated at
St. Andero 6th Aug^r, in several
parts of which he refers to
"the Action of the 22^d July"
"near Salamanca" as an event
with which we were well
acquainted. — Believe me Dear Sir
Yours faithful Serv^t
Melville
M. General Turner.
