19976

Lord Palmerston presents his
compliments to Major General
Garner & will wait upon His Royal
Highness the Prince Regent many days
at the latter end of next week upon
which it may suit the arrangements
of His Royal Highness to see him.

Lord Palmerston incloses a warrant
which it is desirable that His Royal
Highness's signature should be affixed
to at an early moment & he begs
to state that the Cavalry Clothing

warrant which was sent some
days ago for signature in a
red cover is very much wanted
