Dear Turner

Before East, Bicknell & myself  
can proceed in execution of the Prince Regent's  
Commands respecting Windsor Parks as we wish  
to see the Attorney Solicitor General's opinions  
given to the King Commissioners.

The Prince Regent having authorized  
us to ask for all papers having reference to  
this business I applied to Colonel Taylor for a  
copy, his answer was that the opinion had

been returned to Government, may be good  
enough therefore in the Prince Regent's name  
to ask for this paper that we may ascertain  
the view the Law Officers have taken of the  
situation of the Royal Domains.

Remain Dear Turner

Yours faithfully
